

FISCAL NOTE

HJR 298

May 8, 2001

SUMMARY OF BILL: Expresses support for the Women in Government's Women's Health Platform recognizing the need for elimination of serious iniquities in the treatment and prevention of illness in women. Urges state agencies and higher education institutions to take steps to increase access to healthcare for women, increase health insurance coverage, expand research into women's health and support public education campaigns on the issue.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - Assumes that any increase in state expenditures will be not significant and that the activities specified in the resolution are to be carried out with existing agency resources.
